

Another 12 Days of Christmas Day 5

Cute Car Parts

Make 3 cars

For today, just make the car parts,
enough for 3 cars.
We will complete the blocks another day!

I'm using freezer paper appliqué,
you can use fusible web or another
version if you prefer.
I've put pics & tips of the freezer paper steps on my blog:
SuznQuilts.wordpress.com.

Appliqué shapes are reversed for you.
