

## 12 Days of Christmas

### Oh Holy Night

Day 4

Friendship Star

#### Cutting

**4 background** squares 1 1/2"

**2 background** squares 2"

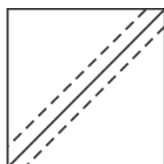

**2 red** squares 2"

**1 red** square 1 1/2"

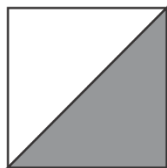

#### Make The Tiny Friendship Star

Layer a 2" red sq. & a 2" cream sq. right sides together.

Draw a diagonal line across square. Stitch a scant 1/4" on both sides of that line.

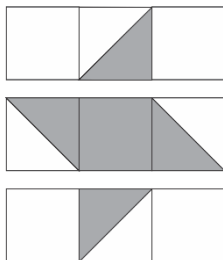

Cut apart on line, press seam toward red triangle.

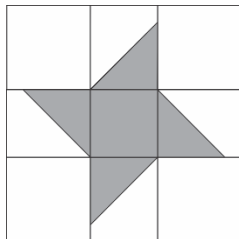

Trim to 1-1/2".

Make 4.

Sew 4 background 1 1/2" sqs., 1 red 1 1/2" sq. & 4 half square triangles together into rows, then sew the rows together to make the block.

Block should measure 3 1/2" x 3 1/2".

Removing the few stitches from within **previously** sewn seam allowances will remove bulk, allowing the block to press flatter.
