12 Days of Christmas
**Oh Holy Night**
Day 9
Appliqué

Cutting

NOEL Background fabric:
Cut 1 rectangle 6 1/2" x 13". **This will be trimmed to 6" x 12 1/2" after stitching is complete.**

Position Letters, Fuse, Glue, Stitch

Press 6 1/2" x 13" rec. in half to find the center, then use the diagram to align and fuse the letters 3/4" above bottom edge of rectangle. *Be sure letters are at least 1/2" from sides.*

3/4"

Glue edge of Tiny Dresden plate in place.

You may want to add a stabilizer before you stitch around letters. Model was stitched using a machine buttonhole stitch with thread matching the letters.

Appliqué The Tiny Dresden Plate

Appliqué the Tiny Dresden plate the same way the center was stitched with thread matching to petals. Don't trim away the backing, it adds stability.
Trim rectangle to 6" x 12 1/2".
